Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	• visit the website • Enters income, expenses, debts, and loan details. • Clicks Analyse	• Waits for the AI to process the information. • Reviews the financial analysis. • Reads the debt summary.	• Reviews the repayment strategy. • Follows the suggested recommendations. • Plans future financial decisions.
Touchpoint <i>What part of the service do they interact with?</i>	• Homepage • Financial details form • Analyze button	• AI processing screen. • Analysis dashboard. • Financial health summary.	• Personalized recommendations. • Repayment plan section. • Final financial report.
Customer Thought <i>What is the customer thinking?</i>	• Will this help me? • I hope my information is secure. • This seems easy to use	• I want accurate results. • What is my financial health score?	• These suggestions are useful • I now know how to manage my debt. • I should start following this plan.

Customer Feeling <i>What is the customer feeling?</i>	Curious, hopeful, slightly anxious	Interested, attentive, optimistic	Confident, relieved, motivated
Process Ownership <i>Who is in the lead on this?</i>	user	AI Analysis Engine	User with AI Recommendations
Opportunities <i>How can we improve this stage?</i>	• Simplify the input form. • Add tooltips for financial terms. • Validate user input.	• Reduce analysis time. • Display a progress indicator. • Improve AI explanation quality.	• Allow users to download the report. • Track repayment progress. • Provide personalized financial tips.
